

## **HAMILTON COUNTY CORONER'S LABORATORY**

### **EMPLOYMENT OPPORTUNITY**

**Position:** NIBIN Technician/Firearms Examiner

**Salary:** The salary range for this position is \$34,133 to \$56,405 depending on experience. Hamilton County also offers an excellent retirement program and health benefits.

**Location:** Cincinnati, Ohio

Applications are currently being accepted for a position with an anticipated starting date on or before Jan 1, 2007. The Hamilton County Coroner's Laboratory, a full service ASCLD/LAB accredited laboratory, is seeking a NIBIN Technician/Firearms Examiner. The laboratory serves approximately 43 police agencies in a region of about 1 million people. The Crime Laboratory is part of the Hamilton County Coroner's Office that is accredited by NAME and IACME. This position requires the normal microscopic comparison of firearms evidence, operation of the NIBIN/IBIS terminal, delivering training lectures to law enforcement personnel, and providing expert testimony in court. This position does not involve GSR (primer residues) analyses, footwear/tiretrack comparisons, or crime scene searches. The examiner will join a staff of three other firearms examiners. The examiner will be required to comply with safety, quality control, and other administrative criteria of the ASCLD/LAB accreditation program. Hamilton County is an Equal Employment Opportunity employer. Applicants can find general information about the laboratory at [www.hamilton-co.org/coroner](http://www.hamilton-co.org/coroner).

**Qualifications:**

Applicants must meet the requirements for a firearms examiner as stipulated in ASCLD/LAB Section 2.6. They must be able to perform casework independently. Training and experience with the National Integrated Ballistics Information Network (NIBIN), and membership in AFTE is desirable.
