Rochester Institute of Technology, Rochester, NY
Bachelor of Science May 2006
Majored in Biomedical Photographic Communications
Concentration in Art History

Skills & Experience

Proficient in numerous Windows operating systems, experienced with PC and Mac platforms.
Software: Adobe Photoshop, Illustrator, Flash, Dreamweaver, Audacity, VR Works and Microsoft Office.

Employment

Senior Pictometer

Pictometry International Corp., Rochester, NY, January 2007 – Current

Install, repair, troubleshoot and uninstall photography equipment in aerial survey planes. On call 24/7 as technical support to vendor pilots. Keep track of 60+ projects over the course of the flying season, manage shipment & inventory of drives to 50+ pilots. Travel nation-wide completing surveying missions for improved product accuracy and supply maintenance and repairs to imaging equipment.
Requires self-discipline, technical communication skills, mechanical dexterity and time management.

Assistant Photographer

Alpha & Omega Stables Photography, Groveland, NY, May 2006 – October 2007

Assist with equine event photography and manage customer photo sales at horse shows. Help with preparation of photos to be posted online and upload photos for customers to view and purchase.
Required knowledge of the sport, image composition, software & camera equipment and customer preferences.

Biomedical Photo Lab Manager

Biomedical Photographic Communications Department, Rochester, NY, March 2005 – February 2006

Managed a team of 12-15 people, including scheduling and training on the use of various photographic, computer and video recording systems. Initiated a renovation of the lab area including computer upgrades, general layout and the addition of new equipment.
Required effective communication, organization and problem-solving skills.
