

A five (5) day Shooting Incident Reconstruction (SIR) Course has been scheduled for September 18-22, 2023.

The course will be presented in Salt Lake City, Utah.

Contact me if you need additional documentation or information:

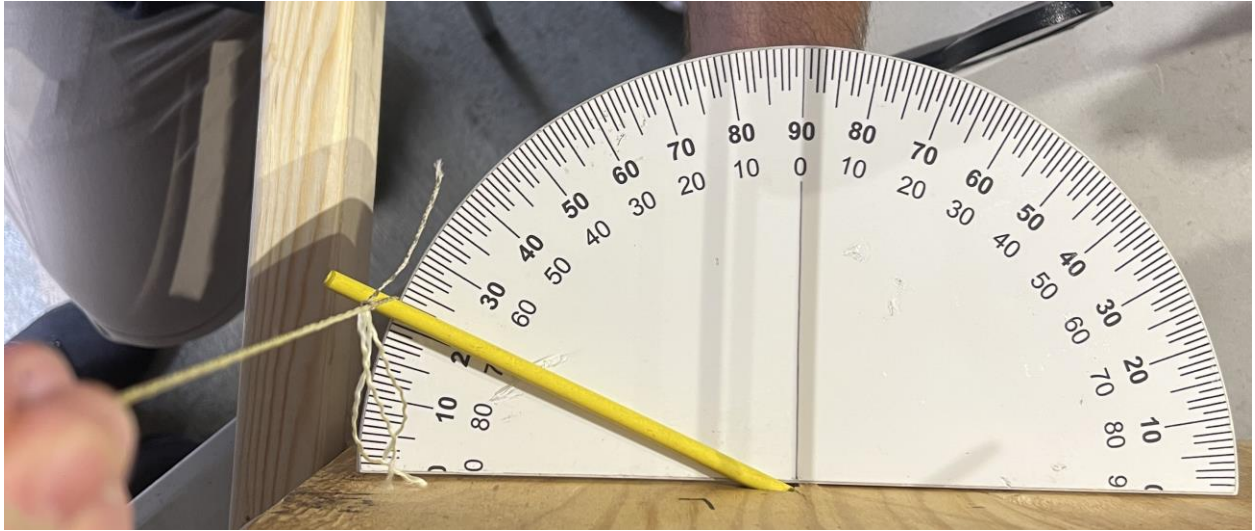

cell/text: (505) 401-6225

email: Michael.haag@comcast.net

web: www.forensicfirearms.com

Facebook: <https://lnkd.in/gz5ubzA6>

LinkedIn: <https://lnkd.in/g4pPFD64>

I expect this course to also fill up quickly, so if you wish to attend, please send in a registration form as soon as you can.

Hotel recommendation is to be determined, but there are multiple options near the range/room facility, as well as downtown Salt Lake City. The range is not far from the airport or downtown.

The recommended airport is:
Salt Lake City International Airport

The range location is the UDC Firearm Training Facility just northwest of the airport.

These courses are always fun, educational, and fast paced. The live fire experience is one not to be missed for people that conduct shooting scene reconstructions, and especially for those who testify to them in court.

As always, I look forward to seeing you soon!
