

5th Annual AFTE GUN-RUN at 2013

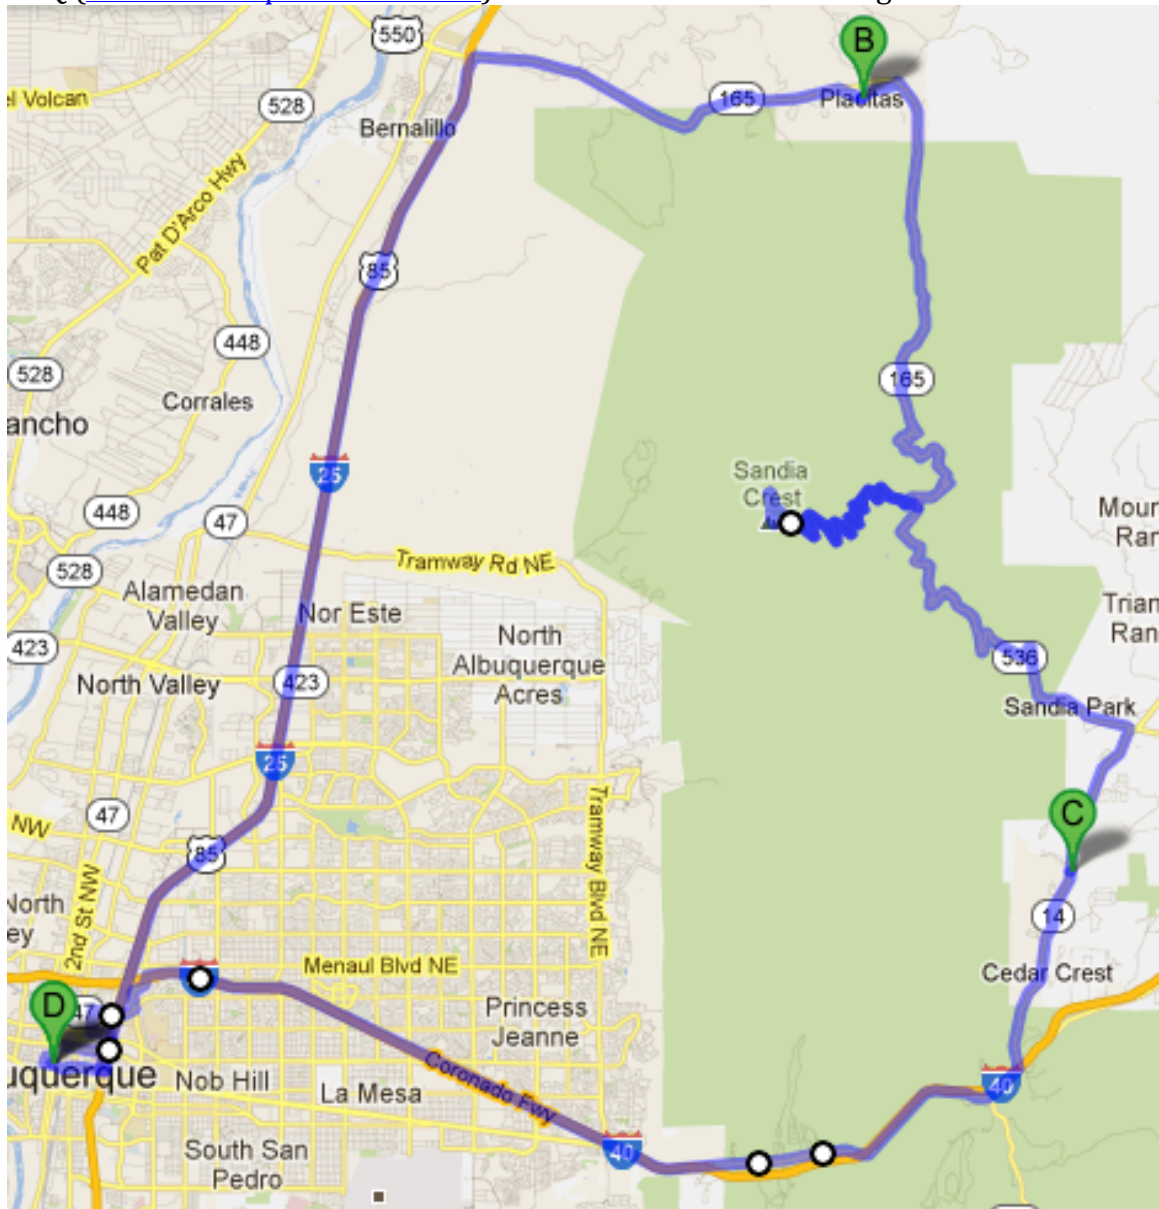

If you have been holding out on participating in the AFTE Gun-Run Motorcycle ride the last couple of years, this is the one. Albuquerque's diverse and unique landscape cannot be missed and the best way to see it is on two wheels.

Right before the AFTE 2013 Training Conference begins, we will be doing two rides:

Saturday, June 22: 200 mile ride through the Jemez mountains, Los Alamos (home of the Atom bomb) and Santa Fe.

Sunday, June 23: 80 mile “poker run” around and up to Sandia Peak. Lunch at Ribs BBQ (www.ribsbbqcedarcrest.com) and return to the hotel along historic route 66.

Rentals (www.eaglerider.com/vehicle-list.aspx) are from a shop(www.pjsmotorcycles.com) 8 miles from hotel. Depending on how many show interest, we might be able to get group discounts and transport to shop.

Email info@crtlesslethal.com if interested in one or both rides. More details to come. We would like a solid headcount by April 1.
