

**Jefferson Parish Sheriff's Office Crime Laboratory
Employment Opportunity**

POSITION TITLE: FIREARM EXAMINER

SALARY: salary commensurate with experience

OPENING DATE: April 16, 2024

CLOSING DATE: until filled

Duties and Responsibilities

The J.P.S.O. Crime Lab is in need of an **experienced** Firearm and Tool Mark Examiner. A Firearm and Tool Mark Examiner compares evidence bullets and cartridge cases side-by-side against those test fired in guns submitted to the laboratory. Examinations are based on firearms identification, which involves the identification of a bullet, cartridge case, or other ammunition component as having been fired by or in a particular firearm. Examiners may also conduct testing in the following areas: determination of caliber and general rifling characteristics of bullets, determination of proper function and the safe operation of firearms, and restoration of obliterated serial numbers. Salary commensurate with experience.

Minimum Qualifications

- Must have successfully graduated from an accredited college or university with a baccalaureate degree (natural science degree preferred)
- Must possess a valid driver's license
- Trainees must successfully complete an authorized training program and successfully pass a competency test upon completion
- Trained analysts must pass proficiency tests
- Must be a US citizen and be at least 21 years of age

JOSEPH P. LOPINTO, III SHERIFF
